

# NIM\_Weather 1.6 fixed

Weather effects addon made by Sentinel; fixed for 1.99 by Faguss (ofp-faguss.com)

## 1. Overview

Dynamic Weather System 1.6 by Sentinel for the Northern Ireland Mod is using a 1.96 bug to detect if user is playing in Single Player. The bug has been fixed in 1.99 version of the game and subsequently the addon stopped working correctly. This updated version fixes the issue and can be used in both 1.96 and 1.99.
