

Jungle Fever Mission pack

Description and installation

This is the official mission pack for the Jungle Fever mod. The missions in this pack use Jungle Fever, and addons that are used on the HawkNam coop server. You can view and download the addons from [this link](#).

To install the pack, just unzip the contents of the pack into your OFP folder.

NOTICE! If you have installed Jungle Fever into a different mod folder than the default @JF one, you will need to **MANUALLY** move the Mercyful Fate campaign pbo (MF_FallofAshau.pbo) from @JF/Campaigns to the Jungle Fever mod folder you use.

Missions

The pack has the following missions included:

Multiplayer

- POW
- Diddy Boppin
- Operation Flacon Eye
- River Rats
- Dawn of Metal
- Airmobile
- Green Hell
- Ap Rum
- Peninsula Raid
- Reconnaissance (Recon1)
- Truckpark (Recon2)

Single Player

- Mau Lat
- Tiger Life

Campaign

- Mercyful Fate

Disclaimer

This is NOT an official add-on and is not in any way connected to BIS or Codemasters. Use at your own risk! If any harm comes to your computer, it's your loss.
